

Thanks so much for your interest in BaseActive!

We love working with new retailers and aligning BaseActive with premium boutiques and fitness studios.

Positioning our brand as a premium, functional and fashionable active wear option is of utmost importance to us, our brand is designed for and by sweat professionals (people who sweat day in, day out for a living) and it is important that this is a positioning that is expressed by all our retailers.

We'd love to hear more about your business and why you think BaseActive is the perfect fit for you and your clients.

If you could please fill out the retailer relation form below and email it to mariyarobinsonv@gmail.com we'd be most appreciative!

Thanks again, we hope you have a happy & active day! X
